All promotional, marketing, and advertising estimates and claims related to energy savings or performance are created exclusively by third party suppliers, rating services, utility companies, and/or certified auditors, based on U.S. Department of Energy methodology and average energy use and scores. Actual energy savings and performance of any home or any of its features may vary widely, and may be more or less than indicated savings and performance, depending on the personal energy consumption choices of the occupants and changes in energy provider rates and programs. Square footages and dimensions are approximate and may vary in construction and depending on the standard of measurement used, engineering and municipal requirements, or other site-specific conditions. All renderings and floor plans are an artist's conceptual drawings and may vary from the actual plans and homes as built. Pictures and other promotional materials are representative and may depict or contain floor plans, square footages (All base square footages are shown as "A" elevation with masonry and may be greater or less than the base square footage based on the elevation), elevations, options, upgrades, extra design features, decorations, floor coverings, specialty light fixtures, custom paint and wall coverings, window treatments (such as shutters, drapes, etc.), landscaping, pool, spa, sound and alarm systems, furnishings, appliances, and other designer/decorator features and amenities that are not included as part of the home and/or may not be available in all communities.
